Be green with me,
and help save the
planet!

Help save the earth each day of the week!

Draw a green star for each day that you do an activity that helps the earth! Once you have filled the calendar you can get a Be Green With Me Certificate to show all of your hard work!*

Here are some ideas to get you started:

- Turn off the water faucet when brushing teeth
- Recycle glass, plastic, and paper
- Plant a seed
- Walk to the library
- Bring canvas bag to the grocery store
- Eat organic veggies
- Read a book about nature, animals, or the environment
- Play outside
- Pick up trash
- Visit a museum, aquarium, or science center
- Learn about a native tree in the neighborhood
- Make a bird feeder
- Make a card by creating a collage from old magazines and send it to a friend
- Water a plant in the yard
- Learn about a planet, volcano or coral reef
- Bird watch
- Draw a picture of your favorite dinosaur, bug, flower, waterfall, mountain or fish

What other activities can you do?

Sun	Mon	Tue	Wed	Thu	Fri	Sat

When you do well in school you get a gold star, and when you do well for the environment you get a green one!!
